

Press release dated January 11, 2021

BARDEHLE PAGENBERG appoints two new partners

BARDEHLE PAGENBERG is delighted to announce that Dr. Anna Giedke and Dr. Patrick Heckeler have been appointed new partners at the Munich office.

Managing Partner Johannes Heselberger states: “With their expertise, passion and commitment, Dr. Giedke and Dr. Heckeler have developed to become fundamental pillars of our law firm. Appointing them as partners is a consistent continuation of the growth of our Patent Litigation Group and Patent Prosecution department.”

Dr. Anna Giedke

Attorney-at-Law

Munich Office

<https://www.bardehle.com/team/detail/giedke-anna.html>

Anna Giedke advises comprehensively on all aspects of IP law with a particular focus on patent litigation and copyright law.

In patent law, she represents leading international companies from various technical fields before the German infringement courts (main and PI proceedings) and is experienced in developing international defense strategies.

In copyright law, she focusses on drafting (international) contracts.

Moreover, she advises on IP-related questions of competition, enforcement and private international law, on alternative dispute resolution and comprehensively on contract design (particularly licensing, R & D, distribution and settlement agreements).

Anna Giedke’s technical specialization comprises the areas of semiconductor technology, software, IT & computer technology (including cloud computing), telecommunications, electrical engineering and the pharmaceutical industry.

Dr. Patrick Heckeler

German and European Patent
Attorney

Munich Office

<https://www.bardehle.com/team/detail/heckeler-patrick.html>

With his studies of computer science, Patrick Heckeler has reliable expertise regarding the patentability of inventions in the field of computer technology. In addition to specializing in computer science, he also handles patents in the fields of mechanics, electrical engineering and telecommunications.

His main areas of practice as a German and European patent attorney include patent prosecution, opposition and appeal proceedings as well as infringement and nullity complaints.

Patrick Heckeler has excellent knowledge in the areas of computer architecture, operating systems, databases, embedded systems, multimedia technology, virtualization, and network technology. Having participated in the Safety-Critical Systems Research Group of the computer research department of the University of Tübingen, he also has extensive knowledge of the development and verification of safety-critical systems in the automotive industry and industrial automation.

Patrick Heckeler is a member of the Chamber of Patent Attorneys, the International Federation of Intellectual Property Attorneys, the German Society for Computer Sciences (Gesellschaft für Informatik e. V.) and the German Association for the Protection of Intellectual Property (GRUR). Furthermore, Patrick Heckeler has authored and co-authored various scientific publications.
